The Embrace Breeder Program

Join elite breeders across the country who are protecting their litters and enjoying exclusive perks as members of this free program.

JOIN US ON SEPTEMBER 20, 2016 TO LEARN MORE ABOUT EMBRACE!

Learn:

- How to use insurance as a way to differentiate yourself from other breeders
- How Embrace can act as a way to protect you, the breeder, from the new upcoming legislation
- Why using Embrace can help your breeding program through health data

Find out more in this 45-minute presentation with question and answer session after.

Presented by Embrace Breeder Advocate Susan Patterson. Susan is a 30+year Labrador Breeder, breeding under the Fenwyck Labrador Kennel name. Susan competes in both the conformation ring and in the field with her Labradors. Additionally, Susan and Myra Savant Harris run a nearly 10,000 member Facebook Group, Canine Fertility, Reproduction and Neonatal Issues where they work with breeders all over the world.
