Puppy Contracts and Legal Mediation with Attorneys David Feldman & Norman Sherman

Attorneys Feldman and Sherman founded a mediation and collaborative legal practice focused on helping to resolve people conflicts concerning their animals and people conflicts with each other. They especially focus on people involved in the animal care community, and work with animal conflicts in a variety of situations including breeder contracts, boundary issues, dog bites, dog barking, custody disputes, animal protection laws, and pet trusts. David Feldman has recently been appointed to the advisory committee to the Massachusetts Homeless Animal Prevention and Care Fund.
